

Instructions

1. Take the post-its and write down the different people/organisations
2. **'Core group'**: they are up-to-date on all important content and practicalities and potentially present every time
3. **'Actively involved'**: they are present at the different phases but are not aware of previous research.
4. **'Keep up-to-date'**: we inform them via email but they do not need to attend workshops or meetings
